# High School Students!

## The Eighth Annual McMaster Brain Bee

### February 22nd, 2011

The Brain Bee is an exciting competition for high school students that inspires passion about the **brain** and **neuroscience**. You will learn about intelligence, memory, emotions, sensations, movement, stress, aging, sleep, addiction, and many other brain topics.

High schools students from the Hamilton-Halton-Niagara region (and surrounding area) are invited to compete in the **8th Annual McMaster Brain Bee, on February 22, 2011**. Participation is a great way to add to your resume, and win great prizes and trophies.

Our champion will compete in the **CIHR Canadian National Brain Bee** (<http://brainbee.ca>), to be held in the spring of 2011. How exciting to compete for the National title, trophies, cash prizes (**\$1500 for first prize, \$1000 and \$500 for 2nd and 3rd prizes**) and a summer internship in a neuroscience laboratory for the 1st place winner!

The national winner will represent Canada at the International Brain Bee in the fall of 2011. Great cash prizes, scholarships, and trophies are awarded across the 3 levels of the competition!

**We look forward to seeing you in 2011!**  
**Visit our web site to find out how to get involved!**
